Certificate of Analysis  
NITROGEN and PHOSPHORUS  
NP (19-38-00-6S)

| GRADE                  |                                         | 19-38-00-6S |
|------------------------|-----------------------------------------|-------------|
| Chemical Specification | Total Nitrogen%                         | ≥ 19        |
|                        | Total Phosphorus Penta Oxide T P2O5%    | ≥ 38        |
|                        | (Water Soluble) Phosphorus Penta Oxide% | ≥ 33        |
|                        | Sulfur S%                               | ≥ 5.0       |
|                        | Moisture%                               | ≤ 2         |
| Physical Specification | Particle Size (2.0-4.0 mm) %            | ≥ 90        |
|                        | Particle Size (below 1.0mm) %           | ≤ 1.0       |
